To: County Code Official:

In accordance with the 20\_\_ Virginia Uniform Statewide Building Code (VUSBC), I wish to apply for modifications to the code, as I feel that the spirit and intent of the VUSBC are observed and public health, welfare and safety are assured. The following articulates my request for your review/action: (Describe in detail)

A Temporary Sales Trailer Industrialized Building is being installed in advance of the completion of the building that will house the residential sales function, and site utilities are not available. The Temporary Sales Trailer Industrialized Building will be removed within one year or less from the issuance date of the Certificate of Occupancy. In accordance with the VUSBC Section 117.1 Temporary Structures, this is to request the following: (check the applicable boxes)

- Provide an accessible water cooler in lieu of a drinking fountain.
- Provide an accessible toilet located in the sales trailer.
- Provide a chemical toilet in lieu of the water and sewer connections; and the Health Department Pump and Haul Permit is attached.
- Relief from providing a service sink required by International Plumbing Code (regular cleaning services to be provided).
